

Security Engineer

Soort functie: Freelancer **Locatie:** Evere
Duur: 6m + **Referentie:** 202109001

Omschrijving:

In the first place we're looking for candidates with the "Anankei DNA". These candidates are highly motivated with a positive and can do mentality.
Dream IT, Trust IT, Go for IT : this is who we are.

Dream IT : Aim high, it's in our DNA. Every day we dream about what the next day will give us.
Trust IT : We have plenty of talented people at Anankei that's why we trust in ourselves. Talented colleagues who trust each other is a guarantee to success.
Go for IT : We rather talk about challenges than problems. We search and find solutions. We go for it.

Our client who's specialized in IT Security is looking for an IT Security Engineer.
Within the company you can expect a positive atmosphere and plenty of positive colleagues.
